Zultys Names Neil Lichtman, Communications Industry Leader, as CEO
-VoIP Veteran Joins Rapidly Growing Zultys Inc.

Sunnyvale, CA, November 3, 2009 – Zultys Inc., a leading manufacturer of secure and Enterprise class IP PBX phone equipment for the mid and Enterprise market, has announced that telecom industry veteran, Neil Lichtman, has been appointed CEO of Zultys.

Neil has over 25 years of successful Telecom leadership to both private and publicly held companies. Most recently Neil held the position of President – Small Enterprise Systems – Vertical Communications. Neil was previously CEO of Comdial Corporation which was acquired by Vertical Communications. Prior to that, Neil was President of Claricom Holdings where he created an 800% value increase for shareholders.

“Neil is the ideal leader to take Zultys to its next level of success. Neil’s experience in channel development will assist us in our growth strategy and capturing market share” said Vladimir Movshovich, CTO and Co-Founder of Zultys.

“Zultys delivers the best in class solution in the industry. It is the company that will rapidly appear as the leading VoIP solution provider. Zultys is already growing while others are shrinking. Zultys is definitely the company I want to be part of to drive its further success”, said Neil.
