PLEASE READ THESE TERMS AND CONDITIONS CAREFULLY.

YOUR USE OF THE ZULTYS WEBSITES (“WEBSITE”) IN ANY MATTER AND/OR EXECUTION OF A PURCHASE ORDER FOR THE SERVICES DESCRIBED HEREIN, YOUR DOWNLOADING, INSTALLING, OR USING ANY ZULTYS SOFTWARE APPLICATIONS OR SERVICES, CONSTITUTE: (I) YOUR ACCEPTANCE AND AGREEMENT TO BE BOUND BY ALL OF THESE TERMS AND CONDITIONS; (II) YOUR AGREEMENT TO ABIDE BY AND COMPLY WITH THESE TERMS AND CONDITIONS AND (III) YOUR AFFIRMATION THAT YOU EITHER ARE OVER THE AGE OF MAJORITY IN YOUR JURISDICTION OF RESIDENCE, ARE AN EMANCIPATED MINOR, OR POSSESS LEGAL PARENTAL OR GUARDIAN CONSENT, AND THAT YOU ARE FULLY ABLE AND COMPETENT TO ENTER INTO THE TERMS, CONDITIONS, OBLIGATIONS, AFFIRMATIONS, REPRESENTATIONS, AND WARRANTIES SET FORTH IN THESE TERMS AND CONDITIONS.

IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, DO NOT DOWNLOAD, INSTALL, OR USE ANY ZULTYS SOFTWARE APPLICATIONS OR SERVICES DESCRIBED HEREIN, INCLUDING ANY USE OF THE WEBSITE.

1. Parties

These Terms and Conditions of Service of Zultys, Inc., a Delaware corporation (“Zultys”, “we” or “us”, “our”), including any related policies, pricing and charge schedules, rules or supplemental agreements of Zultys incorporated herein by reference (“Terms and Conditions”) constitute a binding contract between Zultys and the party set forth in an applicable purchase order form, user of the Services (as defined below) or user of the Website (“you”, “You”, “customer” or “user”) and supersede all prior agreements, discussions and writings between you and Zultys regarding the subject matter of these Terms and Conditions. The term “Zultys” includes its respective subsidiaries, affiliates, agents, employees, predecessors in interest, successors, attorneys and any other service provider that furnishes services or devices to you in connection with these Terms and Conditions.

2. Changes to Terms and Conditions

For any regulatory requirements, changes in FCC or State and Local Taxation, or any other legal requirement, these Terms and Conditions (to include any policies incorporated by reference) may be changed by Zultys at any time, in its sole discretion: (a) by posting the changes made to these Terms and Conditions, as revised, on its Website, or (b) by providing you with separate notice (electronic or written), including, but not limited to, notice set forth in billing statements. This excludes changes to the agreed pricing or scope of services as agreed to on the Sales Agreement: they are fixed for the term of the Sales Agreement. Any change to the Sales Agreement must be agreed in writing by both parties to be valid. Your use of the Website or the Services following the posting or notice of such changes or

revised Terms and Conditions shall constitute your acceptance of any such changes. If you do not agree to these Terms and Conditions, or any other policy governing your access to or use of our Services or the Website, then you should immediately terminate your access to and use of the Services or the Website. If you have any question regarding these terms or your access to or use of the Services or the Website, please email Customer Support at support.mxvirtual@zultys.com. For purposes of clarity, revised or modified terms shall replace and supersede all previously agreed to electronic and written terms, as well as any prior versions of these Terms and Conditions. You agree that you are solely responsible for (a) making sure that your registered email account with Zultys is current and functional, (b) checking your registered email account on a routine basis, (c) checking the Website and your account page on a routine basis, and (d) making sure that Zultys communications are not blocked or rendered undeliverable by you, your computer, any software installed on your computer, your Internet service provider, or for any other reason.

3. Zultys Services

You are vitally important to us and Zultys strives to provide and deliver to you professional, high quality and cost-effective services.

The term “Services” shall mean Zultys’s unified voice and data communications solutions and services, including, but not limited to, its cloud-based solutions for enterprises and managed service providers and its Internet Protocol phone systems. The voice component of the Services may be generically referred to as "Voice over Internet Protocol" or "Voice over IP" ("VoIP").

Zultys and Customer may enter into a Service Agreement. If so, and there is a conflict between these Terms and Conditions and the Service Agreement, the terms of the Service Agreement will control with regard to such conflict.

3.1 Not a Telephone Service

You acknowledge and understand that the Services are not a telephone service and important distinctions exist between telephone service and the Services offered provided by Zultys. The Services are subject to different regulatory treatment than telephone service and as a result may limit or otherwise affect your rights of redress before federal and state and local telecommunications regulatory agencies or judicial forums.

Events beyond our control may affect the Services, such as power outages, fluctuations in the internet, your underlying ISP or broadband service, or maintenance.

3.2 No 0+ or Operator Assisted Calling; May Not Support X11 Calling

You acknowledge and agree that the Services (a) do not support 0+ or operator assisted calling, including, without limitation, collect calls, third party billing calls, 900, calling card calls or dial around calls and (b) may not support 311, 511, and other x11 services in one or more (or all) service areas.

3.3 Maintenance

You acknowledge and understand that Zultys may periodically perform routine maintenance on the Services and as a result, the Services may be temporarily interrupted and/or suspended. Zultys will make every effort to perform such maintenance after normal business hours

3.4 911 Matters

YOU ACKNOWLEDGE, UNDERSTAND, AND AGREE THAT ZULTYS' VOICE SERVICE IS INTERNET BASED AND THEREFORE 911/E911 SERVICES ARE DIFFERENT FROM TRADITIONAL WIRELINE BASED SERVICES.

3.4.1 911 May Not be Available or Limited

Zultys hereby advises you of the circumstances under which 911 may not be available or may be in some way limited by comparison to traditional 911 service. Such circumstances include:

- *Internet Connection Failure.* If the connection to the wired broadband Internet over which your Zultys VoIP Service is provided is interrupted, you would not have access to Zultys VoIP Service during that interruption and therefore will not have access to VoIP 911 service during that interruption.
- *Number Flexibility & Service Portability.* Traditional 911 service automatically sends your 911 call to the appropriate local emergency responder, or Public Safety Answering Point ("PSAP"), based on your telephone number. Traditional Enhanced 911 service (also known as E911) automatically sends your 911 call to the appropriate PSAP along with your registered address and telephone number. Because the Zultys VoIP Service permits you to obtain a telephone number that does not correspond to your geographic location (for example, you may obtain a Zultys VoIP telephone number with a California area code even if you do not have a California address) and allows you to use Zultys VoIP Service anywhere you have wired broadband Internet, the VoIP 911 Service functions differently than traditional 911 service in certain respects:
 - Because your address does not necessarily correspond with your telephone number, you must provide Zultys with the street address(es) where you will be using Zultys VoIP Service ("Registered Location(s)") when you sign up for the Service.
 - If you relocate any equipment (PC with softphone, IP phone, or Analog Telephone Adapter (ATA) with traditional phone) that you use to access the VoIP Service, you must update your Registered Location(s). If you do not update your Registered Location(s), any 911 calls you make using the VoIP Service will be routed based on your previously provided Registered Location and therefore may not be routed to the appropriate PSAP for your new location.
 - In addition, because the VoIP Service will, where possible, automatically transmit your Registered Location to the PSAP, you must update your Registered Location to ensure that the VoIP Service transmits accurate location information to the PSAP.

- Customer will maintain a National Emergency Number Association (“NENA”) Company identifier and remain in good standing with NENA standards, including, but not limited to the requirement that Customer will have live technical assistance available on a 24 hour, 7 days a week basis, to permit any PSAP to contact Customer for information that may assist with call trace, hostage situations, investigation of prank calls, etc.; Customer will be solely responsible for compliance with all applicable laws and/or other governmental requirements imposed or required by any state or other applicable governmental authority. More information on NENA requirements can be found at the following URL: <https://companyid.nena.org/page/FAQs>
 - Please refer to the following URL for registration information: <https://cidnena.site-ym.com/page/CIDApplication>
 - Once you notify us of a change in your Registered Location via email, there may be a delay in making the new Registered Location available to properly route 911 calls and advise PSAPs of your new Registered Location.
 - In some parts of the country where direct routing to PSAPs is not available for VoIP 911 Service, the Service will route your call to the National Emergency Call Center where trained agents will ask for the name, location, and telephone number of the person calling 911 and will contact the appropriate PSAP to send help. The call center will not automatically receive your address and telephone number. In these situations, public safety response times may be delayed. As a result, there may be an additional delay before emergency services arrive.
- *Loss of Electrical Power.* Unless you have a backup system to power your wired broadband Internet connection and any equipment (PC with softphone, IP phone, ATA with traditional phone) that you use to access your VoIP Service, you will not have phone service or 911 service during any power outage.
 - *Registration of Physical Locations Required.* As discussed above, you must register the Registered Location where you will be using VoIP Service for each phone number you use from Zultys (e.g., if you purchase a Zultys solution/product with three phone numbers, you must provide a Registered Location for each of them). Zultys will obtain your Registered Location as part of the Service initiation process and will not provide VoIP Service until you have provided your initial Registered Location. However, you must update your Registered Location when you use your VoIP Service from a new location. Regardless of what address you register, in some circumstances, such as unavailability of direct routing to PSAPs or the use of portable devices to access the VoIP Service, emergency calls will be routed to the National Emergency Call Center.

You agree to provide true, accurate, current, and complete Registered Location information to Zultys as part of the Service initiation process and to update as soon as possible your Registered Location with true, accurate, current, and complete information whenever you use your VoIP Service from a new location. If you provide Registered Location information that is, or that Zultys suspects to be, false, inaccurate, not current, or incomplete, Zultys has the right to suspend or terminate the Services and refuse any and all current or future use of all Services, or any portion thereof. YOU ACKNOWLEDGE

AND AGREE THAT (A) IN THE EVENT THE SERVICES ARE SUSPENDED, THEN YOU MAY NOT HAVE THE ABILITY TO MAKE A 911 CALL DURING SUCH SERVICE SUSPENSION AND (B) IN THE EVENT THE SERVICES ARE TERMINATED, YOU WILL NOT HAVE THE ABILITY TO MAKE A 911 CALL USING THE SERVICES.

You can only update your Registered Location by submitting a request via email to support.mxvirtual@zultys.com. We do not accept updates to your Registered Locations over the phone. For purposes of 911 dialing, you may only register one Registered Location for each phone number.

You should inform all business colleagues, household residents, guests, and other persons who may be present at the physical location where you utilize the VoIP Service that 911 may not be available or may be in some way limited in comparison to traditional 911 service.

3.4.2 Disclaimer of 911 Liability / Indemnification

Zultys disclaims all responsibility for the conduct of PSAPs, the National Emergency Call Center, and all other third parties involved in the provision of emergency response services. Zultys does not have any control over PSAPs, the National Emergency Call Center, or other third parties and is therefore not responsible for whether they answer 911 calls made using the VoIP Service, how they answer these calls, or how they handle or respond to these calls.

YOU ACKNOWLEDGE AND AGREE THAT NEITHER ZULTYS, ITS UNDERLYING CARRIER(S), NOR ANY OTHER THIRD PARTIES INVOLVED IN THE ROUTING, HANDLING, DELIVERY OR ANSWERING OF EMERGENCY SERVICES OR IN RESPONDING TO EMERGENCY CALLS NOR THEIR OFFICERS OR EMPLOYEES, MAY BE HELD LIABLE FOR ANY CLAIM, DAMAGE, LOSS, FINE, PENALTY OR COST (INCLUDING, WITHOUT LIMITATION, ATTORNEYS' FEES) AND YOU HEREBY WAIVE ANY AND ALL SUCH CLAIMS OR CAUSES OF ACTION, ARISING FROM OR RELATING TO THE PROVISION OF ALL TYPES OF EMERGENCY SERVICES TO YOU. YOU FURTHER AGREE AND ACKNOWLEDGE THAT YOU ARE INDEMNIFYING AND HOLDING HARMLESS ZULTYS FROM ANY CLAIM OR ACTION FOR ANY CALLER PLACING SUCH A CALL WITHOUT REGARD TO WHETHER THE CALLER IS YOU OR AN EMPLOYEE OR CUSTOMER OR AGENT OF YOURS. YOU ACKNOWLEDGE AND AGREE THAT ANY INJURY ARISING OUT OF A LACK OF, OR MISROUTING OF, 911 CALLS, REGARDLESS OF WHETHER THE CALL FAILED OR WAS ROUTED BY A PUBLIC SAFETY ANSWERING POINT OR AN OFFICIAL EMERGENCY OPERATOR, IS NEITHER THE FAULT NOR LIABILITY OF ZULTYS AND YOU HOLD ZULTYS AND ITS SUBSIDIARIES AND AFFILIATES, AS WELL AS THEIR RESPECTIVE OFFICERS, DIRECTORS, MANAGERS, EMPLOYEES AND AGENTS HARMLESS FROM ANY DAMAGES OR LIABILITIES. THESE LIMITATIONS APPLY TO ALL CLAIMS REGARDLESS OF WHETHER THEY ARE BASED ON BREACH OF CONTRACT, BREACH OF WARRANTY, PRODUCT LIABILITY, TORT AND ANY OTHER THEORIES OF LIABILITY.

3.4.3 Alternative 911 Arrangements

YOU ACKNOWLEDGE THAT ZULTYS DOES NOT OFFER PRIMARY LINE OR LIFELINE SERVICES, AND THAT ZULTYS STRONGLY RECOMMENDS THAT YOU ALWAYS HAVE

AN ALTERNATIVE MEANS (LIKE A CELL PHONE) OF ACCESSING TRADITIONAL 911 SERVICES.

3.5 Equipment and Incompatibility with other services

The Services require that (i) you obtain certain equipment from Zultys or one of its authorized representatives or third party partners and (ii) you have, at your own cost, broadband connection to the internet with a minimum 80 kbps for each simultaneous call (upstream and downstream) and this bandwidth is either dedicated for VoIP traffic OR has higher priority than other types of Internet traffic on your border router. The Services are designed to work with such high-speed broadband connections but Zultys cannot and does not guarantee that the Services will be continuous or error-free since VoIP depends on broadband connectivity, sufficient power supply and equipment configuration. The Services may also be interrupted for equipment, network, or facility upgrades or modifications.

Please note that if the broadband connection you are using in connection with the Services is outside the United States and/or your ISP places restrictions on the usage of VoIP services, Zultys does not represent or warrant that use of the Services by you is permitted by any other jurisdictions or by any or all the ISPs. If you remove Zultys equipment to a country other than the United States or use the Services from there, you do so at your own risk, including the risk that such activity violates local laws in the country where you do so. You will be solely responsible for any violations of local laws and regulations or violations of ISP terms of service resulting from such use. You also agree to indemnify Zultys for any claims, damages or expenses resulting from your use of the Services outside of the United States. Zultys reserves the right to disconnect the Services immediately if Zultys determines, in its sole and absolute discretion that you have used the Services or the equipment provided with the Services in violation of applicable laws, including, without limitation, laws of jurisdictions outside the United States. You are solely liable for any and all use of the Services and/or equipment provided with the Services by any person making use of the Services or equipment provided to you.

There may also be other services with which our Services may be incompatible. Some providers of broadband service may provide modems that prevent the transmission of communications using the Services. Zultys does not warrant that the Services will be compatible with all broadband services and expressly disclaims any express or implied warranties regarding the compatibility of the Services with any particular broadband service.

You acknowledge and understand that the Services are not compatible with all non-voice communications equipment, including but not limited to, some home and office security systems that are set up to make automatic phone calls, emergency phones in elevators, some aspects of satellite TV systems, digital entertainment systems, fax machines, modems and medical monitoring devices. By accepting these Terms and Conditions you waive any claim you may have against Zultys for interference with, or disruption of, such systems due to the Services.

3.6 Pricing of Services

You acknowledge and agree that all prices, taxes, surcharges, and fees are subject to change at any time. You are responsible for paying all charges for the Services for your account, including but not limited to toll -free, local, long distance, international, additional feature charges, 411 and operator assisted charges, and directory assistance charges, and for all applicable taxes, surcharges, and fees imposed on you or us as a result of your use of the Service. Customers with a past due balance on previous or

multiple accounts will be charged the full balance upon opening a new account or updating their credit card information on file. Zultys also reserves the right to charge termination and transfer fees consistent with each plan's terms and conditions and as provided in these Terms and Conditions.

Zultys fees and charges for the Services are supplied to you during the ordering process. You agree to pay any applicable one-time, recurring charges, nonrecurring charges, including, but not limited to, account setup fees, adapter fees, equipment charges, shipping and handling and other nonrecurring charges.

3.7 Unlimited Outbound Domestic Calling Plans

These plans are for domestic outbound calling only. Zultys reserves the right to review, periodically, usage levels of unlimited minute service plans to ensure that you are not using such service in violation of our Terms and Conditions and any other applicable agreement between you and Zultys. In the event you violate any of these Terms and Conditions, Zultys may terminate or adjust the plan as appropriate. You agree to use the unlimited domestic minute service plan for traditional voice calling only of duration comparable to that of the average business customer presently utilizing Zultys' Service and will not employ methods, devices or procedures to take advantage of unlimited plans by using any of our Services excessively or for means not intended by Zultys. Excessive use is defined by Zultys as use that exceeds the average call volume or duration used by all other Zultys unlimited plan customers, and attempting to originate or terminate multiple concurrent phone calls through any single line of service and short duration calling as described below. The following types of services are specifically prohibited and may not be done through our unlimited service plan: conference calling, monitoring services, data transmissions, transmission of broadcasts or transmission of recorded material. We may terminate your service or change your service plan if, in our sole discretion, we determine that your use of the unlimited plan violates this prohibition or is otherwise "unreasonable" or results in abuse of the unlimited minute service plan. The unlimited domestic calling plan excludes calls made to any 911 type service, any 411 type services, any 900 type services or any other numbers that are typically billable under non unlimited calling plans

Our unlimited plan may also be immediately terminated and you may be billed at our standard per minute rates in effect at the time for the following reasons:

- If you resell, re-brand, or commercially exploit in any form our Unlimited Service Plan, without our written consent, in order to aggregate traffic from more than one customer over an "unlimited" line or trunk.
- Setting up routing functionality such that only outbound long-distance traffic is sent over the Unlimited Service.
- Engaging in any other conduct which is fraudulent, illegal, harassing or results in significant network congestion, or degradation.
- Autodialing, predictive-dialing, or robo-dialing.
- Continuous, repetitive or extensive call forwarding.
- Harassing, threatening or abusive calls.

- Unsolicited calls if such unsolicited activities could reasonably be expected to, or actually do in fact, provoke complaints.
- Providing false information for you or any users of the Service.
- Continuous or extensive conference call participation.
- Free conference calling or similar services that participate in traffic simulation practices or schemes that result in excessive charges.
- Repetitive and/or continuous messaging or calling to the same destination number if such activity could reasonably be expected to, or in fact actually does, provoke complaints.
- We receive any complaints from any government or regulatory agency regarding your calls or calling patterns and habits.
- Long duration calls (defined as calls to the same number in excess of four hours (continuous or cumulative) within a 24-hour period) and/or calls placed to specific numbers/destinations for the purpose of generating charges or fees for or with a third party.
- Calls that consist of uninterrupted recorded messages.
- Use of the unlimited plan in any call center/contact center environment.
- Continuous call session connectivity.
- Fax broadcasting and/or blasting.
- Telemarketing; or
- Any other activity that would be inconsistent with reasonable business use patterns, causes network congestion or jeopardizes the integrity of our network.

Zultys will make commercially reasonable efforts to contact you and resolve any issue before termination but retains the right to do so if the issue is sufficient to warrant this measure.

3.8 SHORT DURATION CALLS: Zultys reserves the right to charge all short duration calls (calls under 10 seconds in length) a fifteen cent (\$.15) per call additional fee if in our sole discretion we determine that you have an excessive volume (more than 10% of your total calls in any given month) of calls that consist of short duration calls. You agree that calls, as defined herein for billing purposes, shall include all call traffic when accepted by Zultys for termination whether such calls are terminated or not (incomplete calls) for any reason. We will bill you for all calls completed to our equipment regardless if the call is completed to the called party. Accordingly, you understand your obligations in regards to incomplete calls and you agree that Zultys shall incur no liability as a result of or, in relation to, said incomplete calls.

4. Billing

When you subscribe to the Services, you will provide Zultys with a payment method. Our billing procedures provide for the delivery of monthly bills in electronic format and for payment by credit/debit card or by ACH Transfer.

Any authorization will remain valid until thirty (30) days after you terminate our authority to charge your payment method. Upon termination, Zultys will charge you any fees and any other outstanding charges and disconnect your service. You agree to advise and notify us of any changes to your payment method, such as credit card account number or expiration date changes. If the credit card or other payment method on your account is declined or fails for any reason, Zultys will use reasonable efforts to contact you and advise you of the failed billing attempts. Notwithstanding the foregoing, Zultys reserves the right to disconnect your Service and terminate your account if your credit card on file is declined or fails for any reason, or your checks are returned for nonpayment, and Zultys reserves the right to pursue any other legal remedies available to Zultys.

In the event you desire to receive monthly invoices from Zultys by mail or remit payment by check, instead of credit/debit card or ACH Transfer, Zultys may add an administrative charge to your monthly invoice. The administrative charge will not exceed \$25.00 per month.

If you desire to have international dialing services, you will need to provide an advance deposit equivalent of one month's worth of services to the country/countries in question. Based on your usage, Zultys may require additional deposits or may suspend service until an adequate deposit has been created.

Time is of the essence for payment. Therefore, you agree to pay us interest at the lesser rate of (a) 18% per annum, or (b) the highest rate allowed by law for any amounts unpaid as of the due date. Acceptance of late or partial payments (even if marked "Paid in Full") shall not waive any of Zultys' rights to collect the full amount due. We may assess an additional fee of the lesser of (a) fifty dollars (\$50), or (b) the highest amount allowed by law for any credit card chargeback or check returned for nonpayment.

Any changes to the number or type of licenses must be agreed to by Zultys. All requests must be in writing and have the appropriate Regional Sales Director approval before forwarding to Order Entry. Upon termination of your account for any reason, all unused calling credits, if any, shall expire in their entirety on the termination date. No refund, transfer or proration shall be made of any unused credits or of any remaining periods/months on any Service plan.

Billing cycle end dates may change from time to time. When a billing cycle covers less than or more than a full month, we may make reasonable adjustments and prorate the charges to your account.

You must dispute any charges for the Services in writing to Zultys within thirty (30) days of the date of the charge by Zultys. If you fail to provide a written statement explaining in reasonable detail your reasons for disputing the charge within such time period, you hereby irrevocably waive any objection and further recourse with regard to such charges. Written statements disputing charges must be sent to support.mxvirtual@zultys.com

5. Agreement Term and Termination

Customer agrees to the term of the agreement shown on the Service Order signed by you. You are responsible for all charges during the term or extension of the term and it is non-cancellable for this period of time. At the end of the initial term of the agreement, the agreement will automatically renew for the same period of time as stated on the agreement unless you send written notice to Zultys 30 days in advance of the initial, or any extension of, expiration date of the agreement.

6. Phones and Other Related Equipment

The purchase of equipment, such as phones, to be used on your premises in connection with the Services, shall also be governed by any additional terms and conditions provided to you by the Zultys dealer, Zultys channel partners or Zultys representatives providing such equipment.

Phones and any other related equipment that are provided by Zultys and included in the monthly invoice on a recurring basis shall remain the property of Zultys, Inc. and no title is passed to you, the customer. At the end of the term of your agreement or any termination prior to the end of the term of the agreement, for whatever reason, you shall return the equipment to Zultys, Inc. within 30 days of said termination.

7. Limited Use License to You and IP Ownership Rights of Zultys

Zultys grants you a limited, personal, revocable, non-exclusive, non-sublicensable, non-assignable, non-transferable, non-resellable license and right to use the Zultys Services, equipment and any firmware or software used to provide the Services or utilized in the equipment to provide the Services in strict accordance with these Terms and Conditions. All rights not expressly granted under these Terms and Conditions are retained by Zultys.

You acknowledge and agree that any and all patents, copyrights, trademarks, service marks, trade secrets, and all other intellectual property rights (collectively, "**IP Rights**") in the Services and any firmware or software used to provide the Services or utilized in the equipment to provide the Services are and shall remain the sole and exclusive property of Zultys and its licensors. Nothing in these Terms and Conditions intends to or shall grant, transfer, or assign any IP Rights to, or vest any IP Rights in, you. You are only entitled to the limited use of the rights expressly granted to you in these Terms and Conditions. You will not take any action to jeopardize, limit, or interfere with the IP Rights. You acknowledge and agree that any unauthorized use of the IP Rights is a violation of these Terms and Conditions, as well as a violation of applicable intellectual property laws. You acknowledge and understand that all title and rights in and to any third-party content that may be accessed through the Services or the Website is the property of the respective content owners and may be protected by applicable copyright or other intellectual property laws and treaties.

You agree not to sell, assign, rent, lease, distribute, export, import, act as an intermediary or provider, or otherwise grant rights to third parties with regard to the Services or any part thereof, including, without limitation, the equipment (or software or hardware therein) used in connection with the Services without Zultys' prior written consent.

You agree not to undertake, cause, permit, or authorize the modification, creation of derivative works, translation, reverse engineering, decompiling, disassembling, or hacking of the Services, or any firmware or software used to provide the Services or utilized in the equipment to provide the Services or parts thereof. You agree not to intercept, capture, emulate, decrypt, or redirect the communications protocols used by Zultys for any purpose, including, without limitation, causing the firmware or software

to connect to any computer server or other device not authorized by Zultys or in a manner not authorized by Zultys.

All websites, portals, corporate names, service marks, trademarks, trade names, logos and domain names (collectively "marks") of Zultys are and shall remain the exclusive property of Zultys and nothing in these Terms and Conditions shall grant you the right or license to use any of such marks.

You expressly agree that the equipment provided for the Services is exclusively for use in connection with the Services and that Zultys will not provide any passwords, codes or other information or assistance that would enable you to use such equipment for any other purpose. If you elect to use the Services through an interface device not provided by Zultys, which Zultys generally prohibits, you warrant and represent that you possess all required rights, including software and/or firmware licenses, to use that interface device with the Services and you will indemnify and hold harmless Zultys against any and all liability arising out of your use of such interface device with the Services.

8. Local Number Portability

In the event you are transferring an existing phone number that currently is subscribed to another carrier, such transfer is subject to the following terms and conditions. You hereby authorize Zultys to process your order for the Services and to notify your local service provider of your decision to switch your local services to Zultys and to transfer your telephone number, and represent that you are authorized to take these actions. You may be required to complete a letter of authorization, provide us with a copy of your most recent bill from your service provider, as well as provide us with any other information required by your service provider to port your number. Failure to provide any information requested by Zultys or the third-party service provider will delay the porting of the number to Zultys. Zultys shall not be responsible for any delay in the porting of your number and will not provide credit for any such delays. You agree and acknowledge that you must install and activate your equipment prior to the date that the number switch becomes effective. Zultys has the right to refuse to import a number if, in its sole discretion, it does not have the infrastructure to support the number.

9. New phone numbers

When ordering or porting local or toll-free phone numbers, Zultys expects customers to perform test calls to ensure that the phone services and numbers are working in a satisfactory manner upon their activation and report any issues to Zultys immediately. Failure to do so may result in unreported issues, for which Zultys will not be liable. Do not advertise or publish newly ordered or ported phone numbers until you have tested that the number(s) are functioning to your satisfaction. Zultys is not responsible, nor accepts any liability, for any number that you make available to the general public that you have not confirmed to be functioning properly.

10. Customer Representations

You represent and warrant as to the following:

You are at least eighteen (18) years of age or, as applicable, the age of majority in the country, state or province in which you reside, and that you possess the legal right and ability to enter into this contract.

- Your data, name, phone number, contact information, registered location and all other information provided to Zultys in connection with your account and/or obtaining the Services are true and correct at all times and you understand that any false, incorrect or misleading information from you may result in Service provisioning and delivery delays, the suspension or termination of the Services and the inability of a 911 dialed call to be correctly routed to emergency service personnel, as further explained herein. You hereby agree to notify Zultys of any changes to your personal or billing information (including, but not limited to, your name, address, e-mail address, telephone number, and credit card number and expiration date).
- You will make every reasonable effort to maintain at all times wireless or traditional wireline telephone service that will enable you to call 911 and any other applicable emergency service number.
- You agree to be financially responsible for your use of the Services as well as for authorized or unauthorized use of your account by others.
- You have properly configured and working internet service and/or Public Switched Telephone Network ("PSTN") service (i.e., mobile and/or landline phone service) and hereby agree, at your sole expense: to (1) obtain access to your own internet and/or PSTN service with a third party provider other than Zultys; (2) be responsible for payment of internet and/or PSTN connection or service fees and all equipment necessary to establish a connection to such internet and/or PSTN service, as may be required to use the Services; (3) supply and pay third-party providers for all additional phone service and features required for your use of the Services.
- You will not use the Services in environments requiring fail-safe performance or in which the failure of the Services could lead directly to death, personal injury, or severe physical or environment damage.
- You will not use the Services in violation of these Terms and Conditions.

11. Right to Disconnect and Cancel Service

Zultys reserves the right to discontinue its Services, cancel your account, and/or block your access to its network, without incurring any liability, immediately and without notice if:

- You materially breach these Terms and Conditions, as determined in the sole discretion of Zultys;
- You used a fraudulent credit card or debit card to pay for the Service charges on your account;
- You act in a manner that is insulting, threatening, obscene, harassing, or abusive to Zultys personnel, employees, agents or other representatives;
- You do not respond to Zulty's phone calls or emails to contact you about your account or billing statement;

- You refuse to provide information or provide false information that (i) is essential for billing; or (ii) pertains to your creditworthiness, your past or current use of common carrier communications service, or your planned use of such service;
- Your Service usage charges exceed established parameters based on your history of usage, which may indicate a likelihood of non-payment or possible fraud;
- You have been given notice by Zultys of any past due amount (which remains unpaid, in whole or in part) for any of Zultys' or an affiliated carrier's service to which you either subscribe or had subscribed or used;
- You either refuse to pay when billed for the Services or indicate to Zultys or an entity billing on Zultys' behalf that you do not intend to pay for the Services used by you;
- You use, or attempt to use, the Services with the intent to avoid the payment, either in whole or in part, of the charges for the Services by (i) using or attempting to use service by rearranging, tampering with, or making connections to the Services in an unauthorized manner; or (ii) using tricks, schemes, false or invalid numbers, false credit devices, or other fraudulent means or devices;

Customer agrees, and will cause, Authorized Customer Representatives to abide by reasonable authentication, password or other procedures developed by Zultys, Inc. in connection with disclosure of customer CPNI to Authorized Customer Representatives. Customer further acknowledges and agrees that, as described in Section 15.1.6 below, CPNI authorizers can also designate Authorized Customer Representatives, as well as designate additional CPNI authorizers.
